Propagation of simple Life Style to Prevent Cardiovascular Diseases

1866. SHRI GOVINDRAO ADIK: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the only cost effective approach to check the cardiovascular diseases in the country is to adopt a preventive approach and for this purpose simple lifestyle is the best panacea;

(b) if so, the details thereof; and

(c) what action Government propose to take to propagate this idea among the masses for prevention of deadly heart diseases?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI SALEEM IQBAL SHERVANI): (a) and (b) Adoption of lifestyle measures like cessation of smoking; regular exercise, consumption of low fat, high fibre nutritious diets and reduction of stress have been known to reduce the risk of cardiovascular diseasaes.

(c) The Government of India has initiated Pilot projects in five States on control of Cardiovascular Diseases from 1995-96 with the objective of raising community awarness regarding preventions of CVD by simple modification of lifestyles through information, education and communication.

Import Duty on Caprolactum

1867. SHRI M.A. BABY: Will the Minister of FINANCE be pleased to state:

(a) whether Government are aware of the difficulties faced by Fertilizer and Chemicals Travancore Limited (FACT) in Kerala due to the reduction of import duty on Caprolactum; and

(b) if so, the response thereof?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) and (b) FACT has represented that the reduction in customs duty on caprolactum from 45% to 30% in the budget for 1996-97 would have adverse impact on the profitability of the unit. The Government constantly monitors the impact of customs duties and carefully calibrates the duty rates keeping in view, *inter-alia*, the interests of the domestic industry.
